

# “Feminists Long for Men to Heal...”

“We dream of a world full of men who could be passionate lovers, grounded in their own bodies, capable of profound loves and deep sorrows, strong allies of women, sensitive nurturers, fearless defenders of all people’s liberation, unbound by stifling convention yet respectful of their own and others boundaries, serious without being humourless, stable without being dull, disciplined without being rigid, sweet without being spineless, proud without being insufferably egotistical, fierce without being violent, wild without being, well, assholes.”
