Grinding Stone on which  
You Sharpen Your Rage!**

*This photo is the "Pulitzer Prize" winning photo taken in 1994 during the Sudan Famine. The picture depicts a famine stricken child crawling towards a United Nations food camp, located a kilometre away.*

*The vulture is waiting for the child to die so that it can eat it. This picture shocked the world. No one knows what happened to the child, including photographer, Kevin Carter, who left the place as soon as the photograph was taken.*

*Three months later, he committed suicide due to depression.*
